At the Visa Application Centre, you will also need to submit your fingerprints and photograph. This is known as biometric information collection.

A digital finger scanner collects images of all 10 digits, and you will have a digital photo taken. The digital finger print scanner uses no inks, liquids or chemicals and will not mark your skin make sure that you do not have any decoration (such as henna).

Your digital photograph must be taken with full face and without sunglasses or tinted spectacles, or head covering unless it is worn for religious or medical reasons. Your face should be clearly visible with no hair across the eyes.

- Ensure your fingertips are free from any forms of decoration, cuts, abrasions or other markings as these may affect your ability to provide acceptable finger scans.
- If you are applying for a visa on behalf of a child under 5 years old, they must also attend an appointment, but don't have to provide their biometric data.
- Children under 18 years old need to be accompanied by an adult and this cannot be a member of VFS Global staff.

Without biometrics information, your visa will not be processed.
